

# NON-PROFIT FUNDRAISING

## ABOUT US:

Intelligence Research Institute (IRI) is a research and development think tank that focuses on technology, healthcare, and security. Our future-aware workshops are developed through a strategic partnership with academic, government, and private sector partners. We aim to foster an environment for designing, developing, and deploying solutions in high risk / high reward environments.

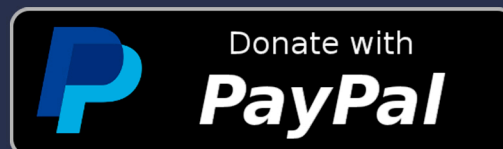

HELP US REACH OUR GOAL  
**\$200,000**

**Coming together is a beginning;  
keeping together is progress;  
working together is success.**

**— Henry Ford**
